Math Problems and Properties
Student
OpenAI API
OpenAI Decorator Wrapper
Ask math problem
Give problem answer
Give problem reasoning
Inform student right/wrong
Verify right/wrong answer
Re-phrase student answer/question
Generate message related to to student reasoning, math problem, and related math properties
Rate relevance of mathbot answer to student answer, to correct math answer, and to related math properties in 3-element vector with max of [1, 1, 1] and min of [0, 0, 0]
Evaluation results, using mathbot statements' summation vector-tip distance from summation of "perfect" vectors [1, 1, 1].
